Personal profile

An enthusiastic and driven chemical analyst looking for a challenging job in petro chemistry. Specialised in working with GC-MS and working in a multidisciplinary team. I am eager to learn, result oriented, and an accurate worker.

Relevant work experience

- Jun 2020 - present **BASF**, de Meern
Analytical Analyst
- Performing both routine and non-routine analyses.
 - Responsible for equipment management with regards to GC, GC-MS and HPLC.
 - Method development and validation in accordance with ISO17025 for various GC-MS analysis methods.
 - Contact person for internal questions regarding chromatographic issues.
 - Responsible for the stock management of chemicals.
 - Techniques used: GC, GC-MS, HPLC
- Oct 2019 – May 2020 **Shell**, Amsterdam
Analytical Research Assistant
- Characterization of petrochemical mixtures by means of two-dimensional gas chromatography coupled with TOF-mass spectrometry.
 - Efficiency study of different sample preparation methods for aqueous oil samples.
 - Reporting of analysis results and meeting with various project managers regarding follow-up steps within the research.
 - Techniques used: GCxGC, TOF-MS, distillation, wet-chemical tests.
- Nov 2018 - May 2019 **SGS**, Spijkenisse
Intern
- Perform various routine chemical analyses.
 - Method optimization and validation for the analysis of metals in specific oil fractions using ICP-MS.
 - Reporting weekly.
 - Used techniques: ICP-MS, HPLC, IR, distillation, wet-chemical tests.

Education

- 2015 – 2019 **HLO Analytical Chemistry**, Hogeschool Utrecht
Degree obtained
- 2009 – 2015 **VWO Nature and Technology**, Hervormd Lyceum Zuid, Amsterdam
Degree obtained

CHECKMARK LABRECRUITMENT – CV EXAMPLE

Courses

January 2020 Capillary gas chromatography (AvansPlus in Breda)
March 2019 VCA Basis, certificate obtained

Software skills

Chemdraw, EZChrom, Chromeleon and Excel (including usage of macro's and queries)

Languages

Dutch Native language
English Fluent in word and writing

Extracurricular activities

2017 – 2018 Member of the board for the young KNCV
2016 – 2017 Chairman introduction committee for the study association Proton

Other work experience

2015 – 2019 **NIVO**, Amsterdam
Allround employer

- Warehouse management and customer management.
- General customer service.

Hobbies

Jogging, swimming, cooking and travelling.
